Ms. Joanna Booth, your request to research roadside populations of native wildflowers, to include visiting roadsides and collecting cutting materials to root and reproduce native wildflower plants, on S.R. 20/US 27 and U.S. 221, in Taylor county is approved. This approval applies to F.D.O.T. right of way.

We appreciate your effort in research, and if we can be of assistance, please call 850-838-5800.
